Our relationships and alliances with likeminded quality organisations ensure we are positioned to offer the best quality service as well as offering complementary financial services where appropriate.

Suitability of Loans to Your Financial Objectives

By law, before entering into a specific credit contract, we are obliged to conduct a Preliminary Credit Assessment to determine what kind of loans would be suitable for you. In consultation with you, we will explore and discuss with you your financial situation, financial objectives and borrowing needs before we determine which loan product may suit your requirements.

For the purposes of the Preliminary Credit Assessment, we will need to ask you some questions in order to assess whether the loan or lease is not unsuitable. The law requires us to:

- make reasonable inquiries about your requirements and objectives;
- make reasonable inquiries about your financial situation; and
- take reasonable steps to verify that financial situation.

The assessment will be conducted prior to recommendation of a particular product. The assessment will involve collection and verification of financial information to determine the appropriate loan amount and the loan costs associated with entering a credit contract. This will ensure that your circumstances will be assessed appropriately and that the options suggested will not place you in financial hardship. Once completed, this Preliminary Credit Assessment is only valid for 90 days. A copy of the Preliminary Credit Assessment will be available to you, on request - this will be available up to 7 years after we provide you with credit assistance

Prior to the Preliminary Credit Assessment being conducted, we may provide you with Product summaries that highlight various key features and benefits of the product. We may also provide you with Product Comparison documents that allow you to compare the features and benefits of each product and assess the suitability to your requirements.

Fees, Charges, Commission and Disclosures

Fees payable by you to third parties

When the credit application (loan) is submitted, you may need to pay the lender's application fee, valuation fees, or other fees that are associated with the loan application process, even if the loan is ultimately unsuccessful.

Fees payable by you to the licensee

If a fee is payable by you, this will be disclosed in a Credit Quote that will be provided to you. If a Credit Quote is not supplied, this will indicate that we do not charge consumers any fees.

Payments received by the licensee

Please take notice that the licensee may receive fees, commissions, or financial rewards from Lenders or Lessors in connection with any finance we arrange for you. These fees are not payable by you.

The commission / brokerage amount depends on the amount of the finance and may vary from product to product. We can provide you with information about a reasonable estimate of those commissions and how the commission is worked out if you require.

Commissions are paid based on a percentage of the loan balance that is drawn down which in most cases will be net of any amounts you hold in an offset account. The way commissions are calculated and paid to us by lenders may vary. By following the responsible lending requirements, we will ensure the loan recommended to you is not unsuitable for your situation and objectives.

Fees payable by the licensee to third parties

We may pay fees to call centre companies, real estate agents, accountants, or lawyers and others for referring you to us. These referral fees are generally small amounts in accordance with usual business practice.

These are not fees payable by you. On request you can obtain a reasonable estimate of the amount of the fee and how it is worked out.

From time to time, we may also remunerate other parties through payments, rewards or benefits.

Tiered Servicing Arrangements

Through your broker's relationships with lenders they may have access to tiered servicing arrangements. The benefits of this access to these arrangements can include faster processing, better information or greater levels of assistance provided for obtaining loan approval. Your broker will advise you of any tiered service arrangements that are in place with a particular lender that they have proposed at the time recommendations are made.

Access to this program is not based solely on the volume of new or existing lending your broker's customers have with each respective lender and does not entitle them to any additional commissions outside of what they have disclosed to you, any additional payments or preferential customer discounts.

**Other disclosures,
benefits or interests**

Your AFG broker is prohibited from accepting gifts or inducements over \$350. Any benefit given to your broker greater than \$100 and less than \$350 will be recorded in a Gifts Register. A copy of your broker's register is available to inspect on request. If you wish to inspect the register, please contact your broker.

About Credit Representatives

Your broker is authorised to engage in credit activities by Nest Advisory HQ Pty Ltd. The licensee shares responsibility in the conduct of your broker.

**Payments to the
broker
How are we
paid?**

Your broker may receive a whole or part of the commissions received by the licensee referred to above. This may be paid to your broker directly or indirectly from the licensee. You may obtain from us information about a reasonable estimate of those commissions and how the commission is worked out if you wish.

Commissions are paid based on a percentage of the loan balance that is drawn down; which in most cases will be net of any amounts you hold in an offset account. The way commissions are calculated and paid to your broker by lenders may vary. By following the responsible lending requirements your broker will ensure the loan recommended to you is not unsuitable for your situations and objectives.

**Fees payable to
third parties by
your broker**

The information set out in the table for the licensee also applies to your broker with regards to referral fees.

On request you can obtain a reasonable estimate of the amount of the fee and how it is worked out.

Step 2

If the issue is not satisfactorily resolved within 5 working days by talking with Troy Dawe, we will apply our internal complaints process to manage your complaint appropriately. In this instance, the complaint will be internally escalated to our Complaints Officer. You may also contact the Complaints Officer directly.

The maximum timeframe in which to provide a written response to you is 45 days, although in pursuit of best practice and the reputation of our organisation, we aim to resolve these issues in a much shorter time frame.

Step 3

Although we try hard to resolve a customer's concern in the most considerate and direct manner, if you are not completely satisfied after the above steps have been attempted, you still have other avenues available to resolve the dispute. This is then managed externally and independently.
